WHY ROTARY?

Rotary changes lives
and it can change our life, too.

A photograph of three people in a modern living room. On the left, a Black man in a white polo shirt is smiling and holding a glass. In the center, a young Asian woman in a yellow cable-knit sweater and floral skirt is holding a glass. On the right, a Black woman in a blue patterned vest over a white sweater is holding a glass. They are all looking at each other and appear to be in conversation. The background shows a green sofa with a red cushion and some potted plants.
